Work Experience

Head Lifeguard
YMCA of Sumner County
May 2014/2016 – August 2014/2016

Promoted for the 2016 summer to head lifeguard
Audio Support: I was the go to guy to fix the microphone system on the outdoor pool
Communication: Primary liaison to members engaged with them one on one to convey pool rules and help with issues they had
Organization: Coordinated shift changes for incoming guards to insure no one got off late or was kept on stand for too long
Leadership: Ran in-services to keep lifeguard skills fresh for the other guards as well as keep team in save ready standards
Accommodations: Received two personal "Exceeds" scores on Ellis Audits of our pool, which is the highest possible reward for an Ellis guard

Second Ranking Referee
Gallatin Soccer Club
August 2014 – October 2014

Skill: Refereed for the most challenging games which included being the Head Referee of U14 games and being the assistant referee U18
Communication: Constantly talked to players, coaches, and parents to insure everyone had a safe and fun experience while being active
Leadership: Supported confidence building for younger referees by trusting them and backing up their decisions when they were argued with
